weebly can be taken as competently as picked to act.

It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' textbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read

2. Framing: This is the first lesson in the unit, so it will draw on personal opinion to introduce the Progressive era and push for reform measures to students. 3. Objective(s): I want students to understand that there was no one progressive movement, but a conglomeration of individual movements attempting to remedy problems within society.
