Mel & Rob take a look at current events and cant help but see that the mass awakening is real and we are going through a global deprogramming from our decades old slumber. The War is real but the great reset is failing Red Pills are everywhere and their operations are coming out of the darkness into the light.

E.D.E.N | Phoenotopia Wikia | Fandom

To set the scene, from the ages of maybe 5 to 13 I lived in a single-wide trailer that was surrounded by woods on three sides. At the back of the property, separated from our house by a privacy fence, was a dilapidated old two-story house that had a tree growing through it. We had a picnic table and fire pit set up in front of the house that my ...
