"A specter lurks in the house of music, and it goes by the name of race," write Ronald Radano and Philip Bohlman in their introduction. Yet the intimate relationship between race and music has rarely been examined by contemporary scholars, most of whom have abandoned it for the more enlightened ...

Music and the Racial Imagination - Ronald M Radano, Philip ...

Just around Midnight reveals the interplay of popular music and racial thought that was responsible for this shift within the music industry and in the minds of fans. Rooted in rhythm-and-blues pioneered by black musicians, 1950s rock and roll was racially inclusive

...

The first is of audience and discourse, and the processes through which a music born of interracialism came to understand whiteness as its most basic stakes of authenticity. This is a story of the deeply ideological underpinnings of genre formation, and the ways that the visual imagination of race is strangely and powerfully elided with...

Just around Midnight presents an alternative version of this history. In the shadow of racism, black and white artists shared an approach towards tradition and self-expression that favored innovation and improvisation, and influence and admiration among musicians of both races was mutual and ongoing.

Music and the racial imagination (Book, 2000)

[WorldCat.org]

The editors argue that music lies at the foundation of conceptions of race. Their contributions to this book make a case for that view, but the contention is sometimes more asserted than proven, and there are some crude generalizations that blunt the argument (e.g. "the European racial imagination", p. 27, as if there could be but one European way of thinking about
