Music Moves For Piano Book

Keyboard Games Book A is designed for four-year old children, or as a first book for students of any age. The music in this book adds keyboard experiences to early childhood music and movement class activities. Short keyboard pieces, in both duple and triple meters with duet parts, provide a kind of exploration using black and white piano keys.

Welcome to Music Moves for Piano □ Music Moves for Piano

Children explore, improvise, sing, chant, move, and play duets and short keyboard pieces that use the whole keyboard. Preschool-aged children build performance skills, grow in musicianship, and learn that music is fun. These books are an excellent transition from all early childhood music programs to formal keyboard instruction.
