My Book of Simple Subtraction (Kumon Workbooks): Kumon ...

Much like other Kumon workbooks designed for young children, these include 80 pages of colorful and inventive activities. The series utilizes incremental mastery, so activities get progressively more challenging throughout each book, and from one book to the next. Children will love the cute, rounded illustrations and the stylish layout as well.

Amazon.com: Customer reviews: My Book Of Simple Addition

Fabulous for my nonT-K kid. We just finished the Kumon 1-120 book and now has started Simple Addition. He already gets it! This book covers 1+ and 2+, It is printed on thick card stock, which makes erasing mistakes east. There is a fill in "Certificate of Completion" in the back. The printing is clear and sharp.
