George Orwell: My Country Right or Left

In developing his ideas on patriotism Orwell made a major contribution to English thought. In his key writings between 1940 and 1942 'My Country, Right or Left' and especially The Lion and the Unicorn Orwell helped rescue the concept of patriotism from the ash heap of history where it had lain since the First World War.

Again, this is identifiably left/right in some sense -- but it is the right of the free market, free trade, and the war against Iraq. In summary, the person on the extreme positive end of this axis is the person who has read every Economist editorial of the past five years and believed all of them. The stereotype I would suggest here is Margaret Thatcher -- or Oliver Kamm.
