Mykonos... The most famous of the Greek islands and world's most frequented vacation destination for the jet set has now arrived in the United States! This tiny Cycladic Island has become famous for its white washed buildings and winding narrow streets, its many postcard perfect windmills, and its deep blue sparkling sea.

Famous for its minimal Cycladic architecture, Mykonos is full of traditional whitewashed houses and blue-domed churches. The trademark of the island, though, is the beautiful traditional windmills in front of Little Venice, where you can also enjoy the magical sunset and capture the colorful light washing up the island's Chora (main town).

Mykonos is one of Europe's most popular summer destinations, and the reason is obviously its sandy beaches. While many have been taken over by umbrellas and sunbeds for rent (at high prices and by bars playing loud music), some remain refreshingly unspoiled. Those with seafront hotels attract families, and many are nudist-friendly.
