**Snakes, facts and information
- National Geographic
As levelled readers go,
National Geographic Kids is
my favourite series, and
Melissa Stewart's Snakes is
one of the best. But that
could be because I dig
snakes. Seriously, though, it
is not just because I dig
snakes. Stewart crafts a
smart little book, full of
interesting titbits, lots of
killer trivia, and she even
taught me a thing or two I
never knew or forgot
somewhere along the line.**
