Another good resource that is really great is "The National Locksmith Guide to Manipulation" which is a quick google search away. Anyhow, that should give you lots of reading and get you familiar with the concepts and practice of manipulation.

Safecracking Books - Safetecnia

I have been interested in safes ever since I finished the Foley Belsaw Locksmithing course back in 1994. I bought several safe manuals back then and did a ton of reading. I came to this website and it sparked my interest back into it. I am waiting on a S & G 6730 mounted cutaway lock and the National Locksmith Guide to Manipulation in the mail.

Lock Picking PDEs - WithoutaKey
