NBME 15 review Flashcards | Quizlet

My score went down from NBME 13 to 15 (took 2 weeks apart). Found 15 tougher overall, more experiment type questions, more 'murky' answers. Probably more representative of the actual Step 1. Score fell 4 points. Not a major dropoff but a good reality check. Did you guys also have a question that straight just asked for the average of ten different ages?
