Nikon D90 User's Guide in PDF. (\$5 mandatory donation if you'd like to print or save, thanks!) Introduction. This will make you to an expert on using the Nikon D90, but this alone won't get great pictures.

Nikon D7000 vs D90 - Photography Life

Guys and gals, please lets not fight over this. Let's get the facts straight. Ken Rockwell has to rate the D90 higher than the D80 because the more the number of clicks on the camera shop links on his page, the more he earns. So its all business. He will say the same thing for another new model a year down the line.

Ken Rockwell Nikon D90 Users' Guide © KenRockwell

The Nikon D90 is a fantastic camera. It's Nikon's newest and best DX format DSLR. I prefer it to the old D300, which costs almost twice as much. That's the way it goes with digital cameras: new is almost always better, even for much less cost. The D90 has identical, or slightly better technical ...

Nikon Reviews - Ken Rockwell

1) The Nikon D90's sensor is very similar to the Nikon D300 sensor, but it is NOT the same. If you pay attention at the pixel pitch, the D90 sensor has a higher pixel pitch of 5.5 vs 5.4 in D300/D300s sensor. 2) As seen in the above images, the Nikon D90 has a more aggressive noise reduction algorithm while processing images.

Nikon D7500 vs Nikon D90 Comparison Review

Since they are digital devices, as a rough comparison the D90 would be to the D7500 as an affordable personal computer made in 2008 would be to one just built with current technology. Specifically, the specifications are about what one would expect.

How much better is a Nikon D7500 than a D90? - Quora

I read on Ken Rockwell's site that the card should be reformatted anytime the camera is connected to a computer. He says that will corrupt the card. But he never mentions a problem like the one I'm having. ... This is actually a pretty common problem amongst D90 (and Nikon) users, although I never had it happen on the D70 Always a good idea to ...

NIKON D7000 + 24-70mm f/2.8 @ 28mm, ISO 100, 1/40, f/11.0. The exterior of the camera is completely redesigned and although you can see quite a few similarities with the Nikon D90, there are some newly introduced changes that are not present on any other Nikon DSLRs.

Nikon D90 - Ken Rockwell

If you do, the D90 will double the amount of time you have to wait around for longer time exposures. The D90 is so good you don't need this. Nikon only includes this because old-timers would get peeved if it was missing. Try it for yourself and don't use it blindly.

Nikon D7000 Review - Photography Life

1) You tube is a public place. It is subjected to all kinds of personal bias, disinformation purely for entertainment. 2) Ken Rockwell's opinion is controversial at best. 3) Thom Hagan's opinion is not bad but it is still subjected to a person's bias. 3) Nikon wrote the D90 instruction manual so you know how to use the camera.
