In *No Billionaire Left Behind*, Angelique Haugerud provides an ethnography of the Billionaires and their interjection as tricksters or court jesters into American political discourse during the first dozen years of the 21st century. Haugerud's study of the Billionaires invites us to consider whether the anti-structure of the joke destabilises systems built by and for the powerful or serves as a safety valve allowing the elite to remain in control.

In an era when ironic memes, funny chants, and visual gags are prevalent in our political culture, Angelique Hagerud's No Billionaire Left Behind and Kembrew McLeod's Pranksters take seriously the increasingly humorous nature of social protest and activism. Although each book is significant in its own right, their overlap is hard to deny.
