I. Types. Descriptive: This annotation describes the source without summarizing the actual argument, hypothesis, or message in the content. Like an abstract, it describes what the source addresses, what issues are being investigated, and any special features, such as appendices or bibliographies, that are used to supplement the main text. What it does not include is any evaluation or criticism ...

### College Assst

Women's history is the study of the role that women have played in history and the methods required to do so. It includes the study of the history of the growth of woman's rights throughout recorded history, personal achievement over a period of time, the examination of individual and groups of women of historical significance, and the effect that historical events have had on women.

Historiography is the study of the methods of historians in developing history as an academic discipline, and by extension is any body of historical work on a particular subject. The historiography of a specific topic covers how historians have studied that topic using particular sources, techniques, and theoretical approaches.
