Chongjin - Wikipedia

The North Korean regime relies on propaganda that glorifies the North Korean system and demonizes foreign influences, especially the United States and South Korea. North Koreans are taught that they have nothing to envy and that the rest of the world is racked with corruption, disease, and strife.

Lessons Learned With Peter Onos | Council on Foreign ...

Discussions about ethical issues, not to mention attempts to encourage ethical behavior, are constantly derailed by the invocation of common misstatements of ethical principles. Some of these are honest misconceptions, some are intentional distortions, some are self-serving rationalizations, and some, upon examination, simply make no sense at all.
