Question. What is both more fun and more expensive than shooting your AR-15? The answer is shooting your AR-15 with a bump stock. We first covered the original bump stock in March of 2011, and at the time, I wondered if we would even see it still available a month later. The SlideFire Systems stock was \$369, and in talking to the inventor of the stock, I was told that they arrived at that price ...
