My oDesk | My experience in odesk  
The Fundamental Problem With oDesk. My situation with oDesk was fairly innocuous. I called my client to renegotiate a different payment method, and things worked out. However, I learned from the oDesk experience and gleaned some potentially useful principles for both creative professionals and clients.

In-demand talent on demand.™ Upwork is how.™ I need help in three areas: 1. converting my estimates into acceptable (xactimate) format for insurance companies. 2. Analyzing xactimate estimates provided to me by clients for errors or missed areas and then creating a scope and estimate that will be accepted by the insurance companies. 3. Serving as an advocate for my clients. I...

ODEsk – my not so great experience, how has yours been?

My experience will make this much quicker next time. It happens a lot in QA: whether writing test cases or JUnit test cases, it takes a lot of time at first. After you are done, you can always repeat it and that's the up side. Besides that, I didn't have all the required platforms myself, so setting up would be very time consuming in my case.

My experience with oDesk: Part 2. This is a follow up to my post: oDesk: Is contract employment the new full time employment? As part of oDesk's process, because I inquired about my project's relegation to private status, a trouble ticket was opened in my name. Fair enough.

My experience with oDesk: Part 2 - It is Alive in the Lab

Here's my rant of oDesk. I've been using oDesk for the past ~5 months and the quality of people that are on that site is horrible. If you haven't used it before, there's a way to create "qualifications." For every job I create, I make it as strict as I can especially the "English" option. When interviewing all the prospects, they all sound great.

My experience with outsourcing QA using oDesk : programming

He says, "My picture was taken during my vacation and still continuing working in oDesk. I love to work in oDesk since that you can choose what time to work and you can work in your own way without lot of supervision. ODESK makes you feel comfortable that your client trusted you to your work without
