### **Ohio River, Ohio Travel and Vacation Guide - Visitor ...**

I don't see the size really being a "fear factor". Sure, the wind can create some chop, especially in the lower, straighter sections but, again, the same thing happens on lakes. The towboats with their huge barges are intimidating but can be dealt with safely, mostly using common sense. Towboats create a mild rolling wake that is easy to handle. Wakes from large cruisers are more difficult to ...
