Oil Upton Sinclair

Oil! is a novel by Upton Sinclair, first published in 1926-27 and told as a third-person narrative, with only the opening pages written in the first person. The book was written in the context of the Harding administration's Teapot Dome Scandal and takes place in Southern California. It is a social and political satire skewering the human foibles of all its characters.

Oil!: Upton Sinclair: 9780143112266: Amazon.com: Books

Oil! is one of my favorite American novels, because Sinclair was fascinated and bewildered by the beginnings of mass-consumer culture here in the U.S., and his descriptions here of oil rigs, cars, radios, jazz music, and Hollywood are very perceptive and eye-opening.
