Knowing the price guide's value for a book does no good if there's no one willing to pay that kind of cash for it. A more realistic test for valuing a comic book is to look for what a similar issue it has sold for in the past.

How to Use a Comic Book Price Guide - LiveAbout

The supply of particular old comic books is important to figuring value as well. Just as supply and demand work for any retail product, the less supply of a particular comic, the greater the demand. If there are 15,000 copies of the comic in perfect condition, it is going to be less desirable than one with only 100 known copies in mint condition.
