“Old Soldier Sahib” tells of Richards’s early life and his enlistment in the regiment of his choice, The Royal Welsh Fusiliers, his training as an infantryman, a marksman and signaller. He was eventually to be posted to India and Burma and the book is a lively and very forthright account of life overseas, his duties and

How can I describe the book, it's a mixture between a soldiers memoirs and a mix of military/social history. Very, very interesting, what an insight into life in the Army at the turn of the century.
