Incredible India - Arts And Architecture

Architecture is considered an art by virtue of the creative process by which it is created, which involves the coordination of multiple visual and structural elements to aesthetic effect. The architectural process usually begins with a sketch and ultimately ends with a facade to be viewed by the public.

Roman Art and Architecture | Oxford Art

Arts & Architecture was an American design, architecture, landscape, and arts magazine. It was published and edited by John Entenza from 1938–1962 and David Travers 1962–1967. Arts & Architecture played a significant role both in Los Angeles's cultural history and in the development of West Coast modernism in general. The magazine's significant cultural contributions include its sponsorship of the Case Study Houses design-build-publication program.
