In some cases, you may also find free books that are not public domain. Not all free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's how to find free books (both public domain and otherwise) through Google Books.

'On China,' by Henry Kissinger - Review - The New York Times

Henry Kissinger received his BA degree summa cum laude, Phi Beta Kappa in political science from Harvard College in 1950, where he lived in Adams House and studied under William Yandell Elliott. His senior undergraduate thesis, titled The Meaning of History: Reflections on Spengler, Toynbee and Kant, was over 400 pages long.

Do China's cosy meetings with US statesman Henry Kissinger ...

Henry Kissinger with Zhou Enlai and Mao Zedong, Beijing, February 1973. It is hard to fit Henry Kissinger's latest book, On China, into any conventional frame or genre. Partly that is because the somewhat self-deprecatory title conceals what is, in fact, an ambitious goal: to make sense of China's diplomacy and foreign policies across two and a half millennia, and to bring China's past full circle in order to illuminate the present.
