Once in Kazakhstan: The Snow Leopard Emerges
- Yellow Cake

In Once in Kazakhstan, Rosten draws a sometimes humorous portrait of a critical period in the emergence of this Central Asian country, interweaving the challenges and exhilaration of living in Kazakhstan with the historical backdrop of a nation grappling with its independence. From horse heads in the Central Market, to guns on the ski slopes, and to the first-ever parliamentary...

identity. Arguably the greatest factor in shaping a vision of itself is its problems with the ethnic makeup of the nation.

Snow in Kazakhstan

Kazakhstan has very little wooded area, amounting to only about 3 percent of the territory. Many animals, including antelope and elk, inhabit the plains. The wolf, bear, and snow leopard, as well as the commercially important ermine and sable, are found in the hills. Fishermen take sturgeon, herring, and roach from the Caspian Sea.
