## Online Library One Child

The one-child policy was originally designed to be a "One-Generation Policy". It was enforced at the provincial level and enforcement varied; some provinces had more relaxed restrictions. The one-child limit was most strictly enforced in densely populated urban areas..

## Online Library One Child

When this policy was first introduced, 6.1 million families that had already given birth to a child were given the "One Child Honorary Certificates."

population, which the government viewed as being too rapid.

### **An Overview of China's One-Child Policy**

'One Child' is probably the most insightful book about China's

## Online Library One Child

brutal population-control program. Started with a 'vital-for-development' pitch, it went on to wreck havoc in the lives of millions of Chinese and did irreplaceable damage to their sex ratio.
