Read Online One Nation Under Contract The Outsourcing Of American Power And The Future Of Foreign Policy

That we have become one nation under contract means that there is no longer any vigorous and disinterested government to turn to for help. The business of government is increasingly in private hands. When government work becomes private-sector activity, governance itself becomes opaque, since contracts are considered proprietary information.

*One Nation Under Contract: The Outsourcing of American ...
One Nation Under Contract. The successful activities of charities and NGOs, coupled with the growing participation of multinational corporations in development efforts, make a new approach essential. Provocative and far-reaching, One Nation Under Contract presents a bold vision of what that new approach must be.*

*One Nation under Contract : The Outsourcing of American ...
One Nation Under Contract could not have been written without USAspending.gov. USAspending.gov data, for example, showed that in 2000, the Department of Defense spent \$133.2 billion on contracts and by 2008, that figure had grown to \$391.9 billion, an almost three-fold increase. From 2000-2008, State Department spending on contracting increased by 431 percent.*
