10. Find a business location. Your business plan will help guide what kind of space you need for your business. If you ' re selling print-on-demand t-shirts, you may only need to find space in your home for a small workspace, a desk, and a laptop. On the other hand, if your business requires in-person retail space, you ' ll need to find a place to rent.

15 Steps to start a business from scratch with (almost) no ... As you launch and grow your business there will be a lot of different facets that you ' ll need to learn and master. Some of them will be critical, less important ones may be put on the back-burner, many of them will be slowly developed and improved over time, but some business functions need to be firing on all cylinders right from the very beginning.
