Only skin deep? Re-examining the business case for diversity

Only Skin Deep: Changing Visions of the American Self. by Coco Fusco Publisher's Description Since the formation of the Union, race has been America's most challenging issue. The complex notions of heritage and culture, when combined with the virtues of fealty and familial love yield a tightly woven tapestry of identity—a tapestry of ideas that resembles a tangle of knots when examined ...

Only Skin Deep: Changing Visions of the American Self

when i visited new york city in 2009 i stumbled into a random tiny bookstore that was a treasure trove of fantastic art books. this was among them, and was a steal on sale for ten dollars. even though i had to tow it around with me for three days before i headed home it was well worth the hassle. one of the most incredible books i've ever read, mapping out the
