25 Books about opposites - The Measured Mom  
Very cute book, and can't beat the price! My 12 month old loves Sandra Boynton and regularly picks Opposites at story time. The book is simple and engaging. The illustrations are adorable and appealing to little ones. You can't go wrong with anything by Sandra Boynton if you're buying books for an infant or toddler.

Big! Little!: A Book of Opposites (Sassy): Grosset ...  
My favorite part of this book is that it's written in a conversational style, inviting children to name the opposites along with the character in the book. Dogs , by Emily Gravett Gravett's pencil and watercolor illustrations are always stunning, but they're especially so in this beautiful book about dogs of every type.
