Optics (4th Edition) by Eugene Hecht (9780805385663)

With only limited exaggeration - notable among man's achievements is Hecht's new 4th edition of Optics. The first edition was the central text assigned in junior year optics for physics majors at many universities in the 1980's.

Optics (5th Edition) Eugene Hecht | 9780133977226

I bought this for a graduate level introductory optics course despite already having the 4th edition from an undergraduate course. I still had the necessity of buying the new edition at first but have no regrets now. The 4th edition had hardly any example problems throughout the book, which I remedied this in the 5th edition.
