Amazon.com: XBOX Console : Video Games

The Xbox 360 video game console is subject to a number of technical problems and failures that can render it unusable. However, many of the issues can be identified by a series of glowing red lights flashing on the face of the console; the three flashing red lights (nicknamed the "Red Ring of Death" or the "RRoD") being the most infamous. There are also other issues that arise with the console ...
