Osler General Surgery Recertification Review - CMEList

It's amazing how accurate he is. Any candidate would benefit from taking this course, especially if you are in a subspecialty. I hadn't done general surgery in 2 years because I chose to practice hand surgery. I took the Osler course and failed the first time, then passed with confidence after studying with Dr. Argy.

FAQ > The Osler Institute

Notable therapeutic intervention and complications of patients with hereditary hemorrhagic telangiectasia undergoing general anesthesia.
