*Theory Z by William G. Ouchi -
Goodreads*

During his research, William Ouchi identified several characteristic traits of Japanese leadership, which formed the basis for the formulation of a new leadership style – Theory Z. Therefore, Theory Z is also oftentimes described as the so-called Japanese Management Style. In short, Theory Z stresses the importance of a caring and benevolent relationship between leaders and followers, and presumes that workers will get motivated by a strong social relationship with the company.
