Our Search for Belonging by Howard J. Ross, JonRobert ...
The purpose of this session (based on the early research and writing of a new book by the same title that was published by Berrett-Koehler in March 2017) will be to explore the seemingly paradoxical manner in which our compulsion to connect with other human beings often creates greater polarity in our culture and organizations, leaving us deeply connected with some, yet deeply divided from others.

From Berrett Koehler Publishers: Our Search for Belonging
I still feel like there was a missed opportunity to examine the pernicious impact of social media on this "search for belonging" but after a poor start (too much right vs left guff for me), this did an admirable job of looking into how we might "belong" to more than just the group we seek to belong to and how we might actually connect across tribal lines.

Our Search for Belonging: How Our Need to Connect Is ...
Our Search for Belonging is a timely and wonderful gift to our national community as we struggle to find connection in the disparate views and feelings that divide us. It offers a guiding light of innovative and creative thinking grounded in impeccable research and scientific observation.

Our Search for Belonging on Apple Books
About Our Search for Belonging. We are living in a time of mounting political segregation that threatens to tear us apart as a unified society. The result is that we are becoming increasingly tribal, and the narratives of life that we get exposed to on a daily basis have become echo chambers in which we hear our beliefs reinforced and others' beliefs demonized.
