Overtreated Why Too Much Medicine

Nevertheless, Overtreated ultimately conveys a message of hope by reframing the debate over health care reform. It offers a way to control costs and cover the uninsured, while simultaneously improving the quality of American medicine. Shannon Brownlee's humane, intelligent, and penetrating analysis empowers readers to avoid the perils of overtreatment, as well as pointing the way to better ...

Overtreated : : why too much medicine is making us sicker ...

Chapter One Too Much Medicine . John E. Wennberg is one of the heroes of modern medicine, but not because he discovered a new treatment or invented a lifesaving medical device. His career spans American medicine's shift from a collection of solo practitioners at midcentury to one of the largest single industries in the world, and his life is a parable for both the power of individual doctors ...
