The sociology of law (or legal sociology) is often described as a sub-discipline of sociology or an interdisciplinary approach within legal studies. Some see sociology of law as belonging "necessarily" to the field of sociology, but others tend to consider it a field of research caught up between the disciplines of law and sociology. Still others regard it as neither a subdiscipline of ...

Overviews. The starting point for a post-structural theoretical vision is language and signification. Classic introductions to literary theory, therefore, such as Culler 2011 and Eagleton 2008, provide essential groundwork for understanding post-structuralism. Along with these two overviews, Belsey 2002, which focuses particularly on post-structuralism, completes a trio of popular and ...
