Panzer General II Strategy Guide and Play Tips @ The 5 ...

Being a veteran of many Panzer General-style games, I found the damage modeling to be odd, and the estimates given to be so widely off base that I rarely trusted them. That being said, there is no instruction in the game and no manual to explain how the combat is actually calculated. Relying on Panzer General experience only took me so far, as odd decisions by the Panzer Strategy team meant ...

Force compositions are all wrong since the Germans have much more armor than historically possible, but that's a problem with most of the Panzer General 2 scenarios (other than a few like Salerno). From the Soviet side, you must have a bridge infantry, some good artillery, and some good tanks. Buy as many tactical bombers as you can.
