What is a paper LBO? A paper LBO is exactly what it sounds like: modeling an LBO and calculating returns using only a paper and pencil. You might be allowed to use a calculator, but you might not. So it's best to assume you'll have to do all the math in your head. Given that, I have 2 guidelines: One, SIMPLIFY your assumptions as much as possible. But be transparent and call out when you simplify something.
