Portfolio Paper: Amazon.com

As a conclusion, paper portfolios are a thing of beauty. You should be proud to have one, even though you might not use it as much as the digital one. Portfolio websites. Photo source. A portfolio website is a special type of personal website, created with the purpose of presenting the creative work of its owner.

Good paper for a print portfolio? : Design

Basically you should have in your portfolio some examples of stuff you have done. If you only have your work digitally, I would simply go for the best paper possible, the most expensive and/or best fitted to the design. Ie. I would use a variety of paper qualities, and I would stay well away from 80g printer paper. I would go for variety.

A look at how you can create a portfolio of newspaper clips to help you get a job in journalism whether it's on paper or online. Menu. Home. Building an Impressive Journalism Clip Portfolio. Search.

What type of paper should I use for print outs for a ...

I too was obsessed with paper once... After testing many different types of paper I discovered that plain heavy weight paper works the best. Keep it simple! Just print a few sheets of samples and go with the best one. Fancy paper doesn't necessary take your printers ink very well. If your portfolio is drawing orientated I'd say go with matt.
