In comics, a trade paperback is a collection of stories originally published in comic books, reprinted in book format, usually presenting either a complete miniseries, a story arc from a single title, or a series of stories with an arc or common theme. A trade paperback may reproduce the stories either at the same size in which they were originally presented, in a smaller "digest-sized" format, or a larger-than-original hardcover. This article applies to both paperback and hardcover collections.
