Participatory Planning in the Caribbean: Lessons from ...  
It implies that participatory planning in the Caribbean, being presently shaped into a narrow and limited discourse, has a reduced ability to reflect the true cultural diversity of the region. The fact that participatory planning proposes a democratic system of development means that it is supported by a wide range of different interest groups that have emerged in the modern era.

PARTICIPATORY PLANNING IN THE CARIBBEAN : lessons from ...  
Until recently, planning and development in the Caribbean have been top-down, centre-out and expert-led. For a few years now, though, the region has bowed to the global trend and has experimented with participatory planning methods. Participatory planning is heralded by much of the development community as the most appropriate alternative strategy to the traditional approaches.

Participatory Planning in the Caribbean: Some Key Themes ...  
Participatory planning in the region shows some signs that it is a discipline which is beginning to be taken over by a narrow managerialistic discourse. Many of the different contributors to this monograph indicate that those who direct participatory planning in the Caribbean tend to conf ate argument and debate along the lines of ' the technical ' and ' the procedural ' .
