TEKLA STRUCTURES | NISD Discussion Board

Tekla is a finnish organization by descent and its experience lies in structural steel detailing through an item called XSteel, one of the first commercial effective 3D detailing applications available, a parametric 3D displaying bundle for specialists, and Tekla Structures was conceived.

Xsteel adalah suatu program yang didevelop oleh Tekla Corps, yang diperuntukan pekerjaan steel detailing. Pekerjaan ini sebelumnya dilakukan dengan caddy manualy. Cara cad sebenarnya adalah cara lama yang membutuhkan proses checking yang baik dikarenakan tidak dapat memvisualisaikan struktur secara 3D.

Tekla guy | All things Tekla Structures

Karena detailing software yang saya kuasai adalah Tekla Structures (XSteel), maka saya akan lebih banyak membahas tips n trick pada Tekla Structures. Namun demikian, blog ini tidak menutup kemungkinan untuk membahas steel detailing dengan menggunakan steel detailing software yang lain, seperti Bocad, Strucad, Prosteel, AutoCAD, atau bahkan yang hanya menggunakan pensil and paper!

Tekla Steel Detailing – Steel Structural Detailing

Tekla Structures, also known as xsteel is a steel structure modelling and detailing program. Used throughout the world and recognised as one if not the best program. I hope to bring tutorials and tips that will help as well as showing off some of my own models and drawings. If you have any requests to show features, let me know.

The XSteel Stake-N-Shoot and 8" target set up on a 2x4 post. Uh...we love the sound of steel, and man did this steel sound amazing! The guys at Steel Targets sent us the Stake-N-Shoot 3/8" AR500 8" target system to test out. The Stake-N-Shoot came with a 3/8" thick 8" in diameter AR500 steel target.

tekla - detailingtheworld.wordpress.com

Tekla Structures has been around a long time. I myself have been using it for over 20 years and started when it was still called X-Steel, and believe me it has come a long way. There is a lot that it can do but it seems that with every new release it is starting to take away the Detailers ability to think.
