Higher Education Pedagogies - Taylor & Francis

Pedagogy, taken as an academic discipline, is the study of how knowledge and skills are imparted in an educational context, and it considers the interactions that take place during learning. Both the theory and practice of pedagogy vary greatly, as they reflect different social, political, and cultural contexts.

"Pedagogy" in Higher Education – Instructional Technology Blog

Pedagogy in Higher Education 'Teaching excellence' in higher education: a comparative study of English and Australian academics' perspectives In the current higher education (HE) environment, indicators of 'teaching excellence' (TE) are increasingly under the spotlight.

Pedagogy in HE: does it matter?: Studies in Higher ...

For me, that hill is a word: pedagogy. A pretty innocuous word, it is a standard Greek word that is to higher education what the word "synergy" is to corporate board rooms. However, words have meanings, and when faculty, administrators, and even students in education programs use the word to refer to anyone outside of high school, I bristle.

Chapter Three Pedagogies in Higher Education

This edited volume brings together the work of an international group of scholars to address the potential of Cultural Historical Activity Theory as an analytic tool in debates over higher education reform. The contributors take on a wide range of issues, ranging from pedagogy to administration and from teacher preparation to university outreach.
