Sales Automation - User Guide | Pega Community

I would like to find a User guide for Test Management Framework to explain the tools for Importing Test cases and its use in Agile Studio. I know that it is a non working feature for Pega 7 unless you apply a hotfix, and it also appears to be included in Pega 8. The Agile Studio User guides for Pega 7 and 8 mention that it is possible, but no other explanation of the tool or its use.
