Review of Pentecostal Ecclesiology — European Research ...

In Christian theology, ecclesiology is the study of the Christian Church, the origins of Christianity, its relationship to Jesus, its role in salvation, its polity, its discipline, its destiny, and its leadership.. In its early history, one of the Church's primary ecclesiological issues had to do with the status of Gentile members in what had been essentially a Jewish sect.

It is the drive towards unity that also marks Pentecostal ecclesiology towards network partnerships and also a missiology of contextualization. By including network partnership and the notion of contextualization, Lord is giving space to an ecclesiology that is shaped by the doctrine of the Trinity because of the outward turn to the community.
