Person-Centered Therapy (Rogerian Therapy)

Acces PDF Person Centered Psychotherapies Theories Of Psychotherapy

As a result, crucial elements of client-centered therapy and the person-centered approach are distorted or minimized. This paper proposes ways that Rogers' writings and those of later client-centered theorists can be reorganized as a clear theory of actualization that highlights human tendencies toward self-directed change.

***Person-Centered Therapy | Psychology Today
This approach asserts that at the core of each individual lies a “positive center”, which is composed of trustworthiness and capability (Corey, 2009). Person-centered therapy is centered on the belief that people have an innate “actualizing tendency” which drives an individual to strive for growth and personal fulfillment (Corey, 2009).***

The major points of Person-Centered Therapy, Adlerian Therapy, and Behavioral Therapy are looked at in brief. Each theory is then shown how a school counselor can apply them into their work with students. While one theory does not work for every situation in the school setting, each theory brings something beneficial to the school counselor.
