Define and Write Your Personal Mission Statement - dummies

Branding budgets run the gamut depending on whether you 're building a brand that will face only moderate competition in a small geographic region or a brand that aims to elbow out major competitors in the global marketplace. What 's more, budgets vary depending on whether you can reach your market through digital communications and social media [...]

5 Reasons Why Personal Branding is Important — CareerMetis.com

Writing a personal branding statement is a lot like creating a branding statement for a company, product or service. The big difference is you are crafting it from a personal angle because it's about you. Your personal branding statement will be unique to you and, if written correctly, it will clearly describe what you do and who you serve.

How to Write Your Personal Branding Statement

Personal branding isn't bound to the internet. When you leave your home and interact with people around town, make sure you maintain a positive and professional appearance in keeping with your brand. Carry business cards with you at all times, and keep an eye out for potential clients.
