Academia.edu is a platform for academics to share research papers.

**Petroleum Geoscience - Jon Gluyas, Richard Swarbrick ...**

**The book introduces petroleum geoscience, a discipline of geoscience that embraces many individual and specialist strands of earth science. We deal with aspects of all these strands, but these important topics—such as basin analysis, stratigraphy, sedimentology, diagenesis, petrophysics, reservoir simulation, and others—are not covered in great detail.**
