Iv heard you can turbo the the non turbo engine but its cheaper to just swap the whole td engine and set up from the 306? Any info on this would also be welcomed. Thing is if I'm swapping an engine would it be easier to start with a diesel engined car (they seem to be more money than petrol) or could i use a petrol model?

Peugeot 205 ENGINE SWAP !

The M16 engine swap is one of the most popular 205 tuning options. It gives a brilliant tuning base and will embarrass many modern cars. If you are not lucky enough to have a GTi model there are still plenty of options open to you. In fact you will find many performance parts from the GTi models in breakers yards at a give away price.
