Philosophy and the Young Child presents striking evidence that young children naturally engage in a brand of thought that is genuinely philosophical.

Gareth B. Matthews, Philosophy and the Young Child ...

Philosophy for Children encourages children to think for themselves at the same time that it encourages them to think with others. However, philosophy is often viewed as more a matter of solitary reflection, perhaps involving exchanges between a few other solitary thinkers—something to which the “masses” are neither privy nor attracted.

Philosophy for Children (Stanford Encyclopedia of Philosophy)

Creating a personal philosophy of early childhood education should not be intimidating; in fact, it is an excellent opportunity to clarify your teaching philosophies and commit them to paper. Putting these philosophies in writing can serve as an impetus to clarify the type of educator you'd like to be, and this will benefit both your teaching career and your students.
