Western Civ 1 Flashcards | Quizlet

History of Philosophy. However, in the case of philosophy an understanding of its history – from its ancient and medieval beginnings through the early modern period (the 17th and 18th centuries) and into more recent times – forms a vital part of the very enterprise of philosophy, whether in metaphysics and epistemology or in ethics, aesthetics, and political philosophy.

Stoicism – Philosophy as a Way of Life – Medium

Philosophy is a way of thinking about the world, the universe, and society. It works by asking very basic questions about the nature of human thought, the nature of the universe, and the connections between them. The ideas in philosophy are often general and abstract. But this does not mean that philosophy is not about the real world.
